**7.5.1.1** by agreement on a fixed price adjustment;

**7.5.2 FINAL AGREEMENT.** When any adjustment in the Contract Sum made pursuant to clauses in this Contract becomes final (e.g., by agreement or dispute resolution), the adjustment shall be computed and documented on ~~Form SE-480, "Construction a~~ Change Order."

**7.5.3.2 CONSTRUCTION CHANGE DIRECTIVES.** For a Construction Change Directive wherein the proposed method of compensation is actual costs, and pending the collection and evaluation of actual costs as required by Clause 7.5.1.3, the Contractor shall estimate the value of the changed work. The Contractor shall itemize the estimated cost into building components and shall use the labor, material and equipment unit direct costs as listed in the most current issue of the Construction Cost Data Book most applicable to the nature of the changed work, as published by R.S. Means, with a cost index adjusted for the project locale. The Contractor shall also be permitted to add overhead and profit as shown in Subparagraph 7.5.4. Where the Contractor does not properly itemize the proposed costs as requested, the A/E shall provide the Agency with the itemization and this amount shall be the initial basis for compensation under Subparagraph 7.3.8. Upon conversion of the Construction Change Directive to a Change Order, the A/E's cost for providing this itemization shall be deducted from the final adjustment in the Contract Sum as described in Clause 7.3.9.

This data shall be itemized and supported by substantiating data sufficient to permit evaluation before commencement of the pertinent Work, or as soon thereafter as practicable, and shall be justifiably compared with prevailing industry standards. As requested by the A/E or the Agency, the Contractor's submittal shall provide an itemized breakdown of all increases and decreases in the Contract for the Contractor and each subcontractor (at any tier) in at least the following detail: material, equipment and supply quantities and costs; direct labor hours and rates for each trade; the associated FICA, FUTA, SUTA, and Worker's Compensation Insurance; equipment hours and rates, and costs of premiums for bonds and insurance, permit fees and sales, use or similar taxes related to the Work.

7.5.5.2 Any Change Order or Change Directive for which certification is required shall contain a provision that the price to the Agency, including profit or fee, shall be adjusted to exclude any significant sums by which the Agency finds that such price was increased because the cost or pricing data furnished by the Contractor was inaccurate, incomplete or not current as of the date agreed upon between parties. Notwithstanding Subparagraph 9.10.4, such adjustments may be made after final payment to the Contractor.

3.78 *Delete Subparagraph 8.1.2 and substitute the following:*

3.81 *Change "...mediation and arbitration..." to "...dispute resolution..." in Subparagraph 8.3.1.*

3.82 *Insert the following new Subparagraph 8.3.4:*

3.83 *Insert the following new subparagraph 9.2.2:*

9.2.2 As requested by the A/E, the Contractor and each Subcontractor shall prepare a trade payment breakdown for the Work for which each is responsible, such breakdown being submitted on a uniform standardized format approved by the A/E and Agency. The breakdown shall be divided in detail sufficient to exhibit areas, floors, and/or sections of the Work, and/or by convenient units and shall be updated as required by either the Agency or the A/E as necessary to reflect:

- and,
- 9.2.2.5 the current percent completed and amount billed.

Any schedule of values or trade breakdown that fails to include sufficient detail, is unbalanced, or exhibits "front-loading" of the value of the Work, shall be rejected. If either the schedule of values or trade breakdown had been initially approved and subsequently used, but later was found improper for any reason, then sufficient funds shall be withheld from future Applications for Payment to ensure an adequate reserve (exclusive of normal retainage) to complete the Work.

- 3.84 *In the first sentence of Subparagraph 9.3.1 change "... ten days..." to "...twenty-one (21) days...".*

9.6.2.2 Contractor's attention is directed to Title 29, Chapter 7, SC Code of Laws, as amended, concerning laborers' liens.

9.6.2.3 Contractor shall properly disburse money received from all payments to all laborers, subcontractors or materialmen in accordance with Title 29, Chapters 6 and 7 of the SC Code of Laws, as amended.

- 3.87 *Delete Subparagraph 9.6.7 in its entirety.*

The Contract Time shall be extended appropriately and the Contract Sum shall be increased by the amount of the Contractor's reasonable costs of shutdown, delay and startup, which shall be accomplished as provided in Paragraph 7.5. As used in this Subparagraph, the phrase "dispute resolution order" includes any decision rendered pursuant to Paragraph 4.4.

- 3.89 *Add the following Clause to Subparagraph 9.8.2:*

The A/E's endorsement is a convenience to the Agency only and shall not relieve the Contractor of its responsibility in the matter, nor shall the A/E's endorsement be deemed to be evidence that the Work was substantially complete and ready for inspection and testing. In the event that the A/E does not concur with the Contractor's statement, the A/E shall inform the Contractor of the basis for the A/E's non-concurrence. The Contractor may then, at its sole option, (1) defer the inspection; or, (2) request the inspection be performed in accordance with Subparagraph 9.8.3.

- 3.90 *Add the following Clauses to Subparagraph 9.8.3:*

**9.8.3.2** The inspection shall include a demonstration by the Contractor that all equipment, systems and operable components of the Work function properly and in accordance with the Contract Documents. The Contractor shall furnish access for the inspection and testing as provided in this Contract. The inspection and testing shall determine whether Substantial Completion has been accomplished and shall result in the A/E's issuance of a written list of Unfinished Work and Defective Work, commonly referred to as a "punch list", each item of which must be finished and corrected prior to Final Completion.

**9.8.3.3** The A/E and its Consultants shall conduct all Substantial Completion inspections. The Agency may elect to have other persons of its choosing also participate in the inspections. Representatives of the State Fire Marshal's Office, the Office of State Engineer and other authorities having jurisdiction may be present, at their sole discretion, at the Substantial Completion inspection or otherwise inspect the completed Work and advise the Agency whether the Work meets their respective requirements.

**9.8.3.4** If the inspection discloses any item which is not in accordance with the requirements of the Contract Documents and will prevent the Agency from occupying or utilizing the Work for its intended use, the Contractor shall complete or correct such item upon notification by the A/E. The Contractor shall then submit a request for a follow-up inspection by the A/E to determine Substantial Completion.

**9.8.3.5** The Contractor shall proceed promptly and diligently to complete and correct items on the list of Unfinished or Defective Work. Failure to include an item on such list does not alter the responsibility of the Contractor to complete all Work in accordance with the Contract Documents.

**9.8.3.6** If more than one Substantial Completion inspection is required, the Contractor shall reimburse the Agency for all costs of reinspection or, at the Agency's option, the costs may be deducted from payments due to the Contractor.

**3.91** ~~In Subparagraph 9.8.4 change "...Certificate of Substantial Completion..." to "...Form SE-550A, 'Certificate of Full or Partial Substantial Completion'..." in the two places where it occurs.~~

The balance payable shall include the retainage of three and one half five percent (3.5%) of the Contract Sum, less any retainage released under conditions of Subparagraph 9.6.2, plus an amount equal to the cost to complete or to correct, as determined by the A/E of the Uncompleted or Defective Work, plus the full amount of Liquidated Damages, if any. Retainage shall continue until Final Completion and Final Payment.

**9.8.5.2** Notwithstanding the foregoing, the payment of retainage shall be consistent with §11-35-3030(4) of the SC Code of Laws, as amended.

**3.931** *Add the following Clauses to Subparagraph 9.10.1:*

**9.10.1.1** Final Completion shall be achieved no later than thirty (30) days after Substantial Completion unless otherwise stated in the Contract Documents or modified by a Change Order. Failure of the Contractor to achieve Final Completion within the time allowed under this Subparagraph shall entitle the Agency to consider the Contractor in substantial breach of its obligations under this Contract.

**9.10.1.2** The Contractor shall notify the Agency, in writing ~~on the Contractor' section of this "Certificate of Final Completion" (Form SE-560C),~~ of the date when the Work has reached or will reach Final Completion and will be ready for final inspection and testing. The notice shall be given at least ten (10) days in advance of said date and shall be forwarded through the A/E, who will attach its endorsement as to whether or not it concurs in the Contractor's statement that the Work will be ready for inspection and testing on the date stated. The A/E's endorsement is a convenience to the Agency only and shall not relieve the Contractor of its responsibility in the matter, nor shall the A/E's endorsement be deemed to be evidence that the Work was finally complete and ready for inspection and testing. In the event that the A/E does not concur with the Contractor's statement, the A/E shall inform the Contractor of the basis for the A/E's non-concurrence. The Contractor may then, at its sole option, (1) defer the inspection; or, (2) request the inspection be performed in accordance with this Subparagraph. The final inspection and testing shall be conducted in the same manner as the inspection for Substantial Completion, including, but not limited to, the requirements of Clauses 9.8.3.3, 9.8.3.4, 9.8.3.5 and 9.8.3.6 of this Contract.

**9.10.1.3** Representatives of the State Fire Marshal's Office, the Office of State Engineer and other authorities having jurisdiction may be present at the Final Completion inspection or otherwise inspect the completed Work and advise the Agency whether the Work meets their respective requirements for the Project.
